

Prices WINPACCS Cloud

WINPACCS Cloud is provided as “Software as a Service”. Invoicing is performed on a monthly basis (subscription model) and comprises a basic fee and additional fees for actual services used.

Basic fee

€ 395 per month and organisation

The following services are included in the basic fee:

- Hosting of your own WINPACCS Cloud data on a high availability server in Germany including comprehensive data protection measures.
- Usage of up to 15 GB storage. A monthly fee of € 10.00 per GB is charged for any further storage.
- Sufficient number of the key user roles, to facilitate the central functions of WINPACCS.
- Five projects in planning status and 20 active projects, plus an unlimited number of archived projects.
- Up to one hour of support time per month is included. Any further support and consulting services are available at € 95.00 per hour and are billed at ¼-hour intervals.
- An annual package of up to four days of training in Germany or two days of training in one of your partner countries.
- Unlimited access to our Documentation Library with invaluable information on using WINPACCS.
- Provision of standard training documents in electronic form in English for trainers and participants for performing in-house training.

Project roles

Project roles are standard roles that are tailored to the actual areas of responsibility of project staff. They allow WINPACCS functions to be used that fit exactly to their tasks.
