WINPACCS® CLOUD

Prices WINPACCS Cloud

WINPACCS Cloud is provided as "Software as a Service". Invoicing is performed on a monthly basis (subscription model) and comprises a basic fee and additional fees for actual services used.

Basic fee

€ 395 per month and organisation

The following services are included in the basic fee:

- Hosting of your own WINPACCS Cloud data on a high availability server in Germany including comprehensive data protection measures.

- Usage of the WINPACCS Cloud database with up to 15 GB storage. A monthly fee of € 10.00 per GB is charged for any further storage.

- Usage of the WINPACCS Cloud file storage with up to 10 GB storage. A monthly fee of € 0.50 per GB is charged for any further storage.

- Sufficient number of the key user roles, to facilitate the central functions of WINPACCS.

- Five projects in planning status and 20 active projects, plus an unlimited number of archived projects.

- Up to one hour of support time per month is included. Any further support and consulting services are available at € 95.00 per hour and are billed at ¼-hour intervals.

- An annual package of up to four days of training in Germany or two days of training in one of your partner countries.

- Unlimited access to our Document Library with invaluable information on using WINPACCS.

- Provision of standard training documents in electronic form in English for trainers and participants for performing in-house training.

Deployment environments

Name	Price per month	Remarks
Function test	€ 60	This environment can be used to test the functionality of new program versions.
Staging	€ 60	This environment can be used to test new program versions with current data and the connection to your own systems.
Training	€ 60	This environment offers the option of using an environment for your very own training purposes.

The following terms apply to these deployment environments:

- A one-time set-up fee of €150.00 is due for each deployment environment.
- The monthly price of € 60.00 includes:
  - 15 GB WINPACCS Cloud database, € 10.00 for each further GB.
  - 10 GB WINPACCS Cloud storage space, € 0.50 for each further GB.
- Further services for the deployment environment such as resetting the database are invoiced based on Support fees.

Terminal server environment

Name	Price per month	Remarks
Terminal server	Price on request	A terminal server environment can be provided for WINPACCS Accounting and WINPACCS Cashbook.

The prices are valid from **1 December 2019**. VAT applies to all the above listed prices.

The minimum period of usage for WINPACCS is 24 months and contracts can be terminated with three-months' notice. Optional extra functions can be terminated with one month's notice.

The number of project and administrator roles used is calculated each month and invoiced accordingly.

Invoicing is performed on a monthly basis, following usage. There is an option to assign costs to projects or organisational units for invoicing purposes.
