WINPACCS®

Prices WINPACCS

WINPACCS is provided as "Software as a Service". Invoicing is performed on a monthly basis and comprises a basic fee and additional fees for actual services used.

Basic fee

€ 395 per month and organisation

The following services are included in the basic fee:

- Hosting of your own WINPACCS Cloud data on high availability server infrastructure including comprehensive data protection measures.
- Usage of the WINPACCS Cloud database with up to 15 GB storage. A fee of € 10.00 is charged per GB on a monthly basis for any further storage.
- Usage of WINPACCS Cloud file storage with up to 10 GB storage. A monthly fee of € 0.20 per GB is charged for any further storage. This storage option is designed for large amounts of data and offers a cost-effective storage solution. It is used, for example, for storing digital vouchers and document files.
- A sufficient number of important user roles, to facilitate the central functions of WINPACCS.
- Five projects in planning status, 20 active projects and 1,000 archived projects.
- Free participation for your own staff in webinars that provide practical instruction on the most important features of WINPACCS.
- Free participation for staff from partner organisations in webinars providing the know-how required to use the Partnerbook.
- Unlimited access to the WINPACCS Document Library with invaluable information on using WINPACCS.
- Access to standard training documents in electronic form in English for trainers and participants for performing in-house training.
